## PASTOR ELI WILLIAMS

### **Radio Broadcast Host**

Pastor Eli is the writer and host of Hot Gospel 20, a weekly syndicated podcast and radio show heard worldwide. For 35 years, he has used music to share the love of Christ.

### **Author and Blogger**

Williams is author of Father Love. The book and program are based on 13 years of experience working with fathers and equipping them to be the best dads they can be.

For over 30 years, Pastor Eli Williams has been a model reconciler committed to ethnic and cultural harmony in the Church. He has built platforms in gospel music broadcasting, fatherhood initiatives and after school children ministries.

He provides practical steps toward lasting love and peace rooted in scripture. Pastor Eli brings compassion, commitment and authenticity to his message of building the role of men as leaders in their home, church and community.

## WE ARE

*Pastor Eli is one of the founding members of the group of pastors and community leaders called Simunye, which in the Zulu language means "we are one". Because there is so much hate in the world, the group's official mission is to stimulate local churches toward biblically healthy multiethnic relationships. Their purpose is to glorify God by loving all peoples, and encouraging others to do the same. They envision churches modeling God's vision for peace, oneness, and biblical unity.*

## Speaker Topics

### **Father Love**

Pastor Eli is the author of the book, Father Love - The Powerful Resource Every Child Needs. In it, he explores the concept of biblical love and considers the applications to men and dads in today's world. He leads weekly Dad's Discussion Groups where he encourages, inspires and equips males for their role as leaders.

### **Harmony and Peace**

He doesn't just talk the talk on this topic. For more than 3 decades, Pastor Eli has been breaking down walls between Christians through personal relationship building, small groups, preaching, teaching, singing, broadcasting and more. His ministry organizations and programs are all multi-ethnic to their core.

### **What Churches and Individuals Can Do**

The stability of communities is threatened by the father absence crisis and the growing ethnic disharmony. Pastor Eli presents biblical, practical ways individuals and churches can be salt and light to impact their world for Christ.
